

For Christmas: Give the Gift that Helps Others!

Consider a gift to Religious Community Services of New Bern (RCS)!

RCS provides food, shelter, education, and prevention services to their resident families which leads to restoration, self-sufficiency, and dignity. During RCS’s BEE—Build, Engage, Empower--Capital Campaign, Centenary provided \$100,000 to create the RCS Common Family Housing Living Area for four temporary resident families.

The basic goal of RCS’s overall approach to well-being is to empower individuals to help themselves. The holistic strategy to accomplish this goal includes employing the tool of **client-centered case management**. RCS Case Managers screen and assess residents to best meet their personal needs and make appropriate referrals. This approach changes lives!

How to Give
