by Joy White

Given in Memory of Jean & DeWitt Brooks by Nicole Williamson

Thank you for your dedications this Christmas!

Poinsettias symbolize Christmas through their connection to the Star of Bethlehem, with their star-shaped leaves guiding the Wise Men, and their red bracts representing the blood of Christ, while white varieties signify purity. They also embody hope, love, goodwill, and celebration, stemming from Mexican legends where humble weeds miraculously bloomed into beautiful "Flowers of the Holy Night" (Flor de Nochebuena).

Please take your poinsettia home after Christmas Eve services.

May the warmth and love of the Christmas season surround you as you honor and remember your loved ones.
